CERTIFICATES

All delegates will receive a certificate on completion.

Who should attend?

This course is suitable for:

- technical managers and teams in manufacturing and retailing
- quality managers and teams
- BRC global standards professionals who wish to understand the changes
- auditors, including internal auditors
- importers and exporters of food products
- food service staff
- operations managers
- current BRCGS auditors
- those interested in becoming a BRCGS auditor

Delegates should download and read a copy of the new global standard before attending, which can be obtained for free on the [BRCGS Store](#).

Key topics

Topics covered on the course include:

- standard format, scope and structure of the scheme
- meeting the requirements of the scheme
- changes in the new issue, including developing food safety culture and building core competencies
- the BRC Global Standards audit, including report writing
- use of and benefits of the BRCGS resources

Skills gained

By the end of this Understanding ISO 22000 training course you will:

- describe the aims of the BRCGS scheme
- identify and explain the changes to the standard from issue 8 to issue 9
- understand the requirements of the standard
- know what to expect from a BRCGS audit and how to carry out post-audit requirements
- access and use available resources

Enjoy cost-effective flexibility and personalised learning with tailored messaging designed to address your unique business challenges. [Contact us for a quote.](#)

The tutor was relatable, had an in-depth knowledge of the course material with real life experience and easy to understand. He was also very professional and approachable.

Capita

Tremendous knowledge and practical experience from the tutor, easy to follow and made me feel at ease.

Department for Environment, Food and Rural Affairs

The tutor was extremely knowledgeable in the subject and presented in a very engaging way, promoting interaction and fostering a really good learning environment for all. Genuinely one of the best instructors I have ever had in any subject.
